**Transforming Businesses Digitally**

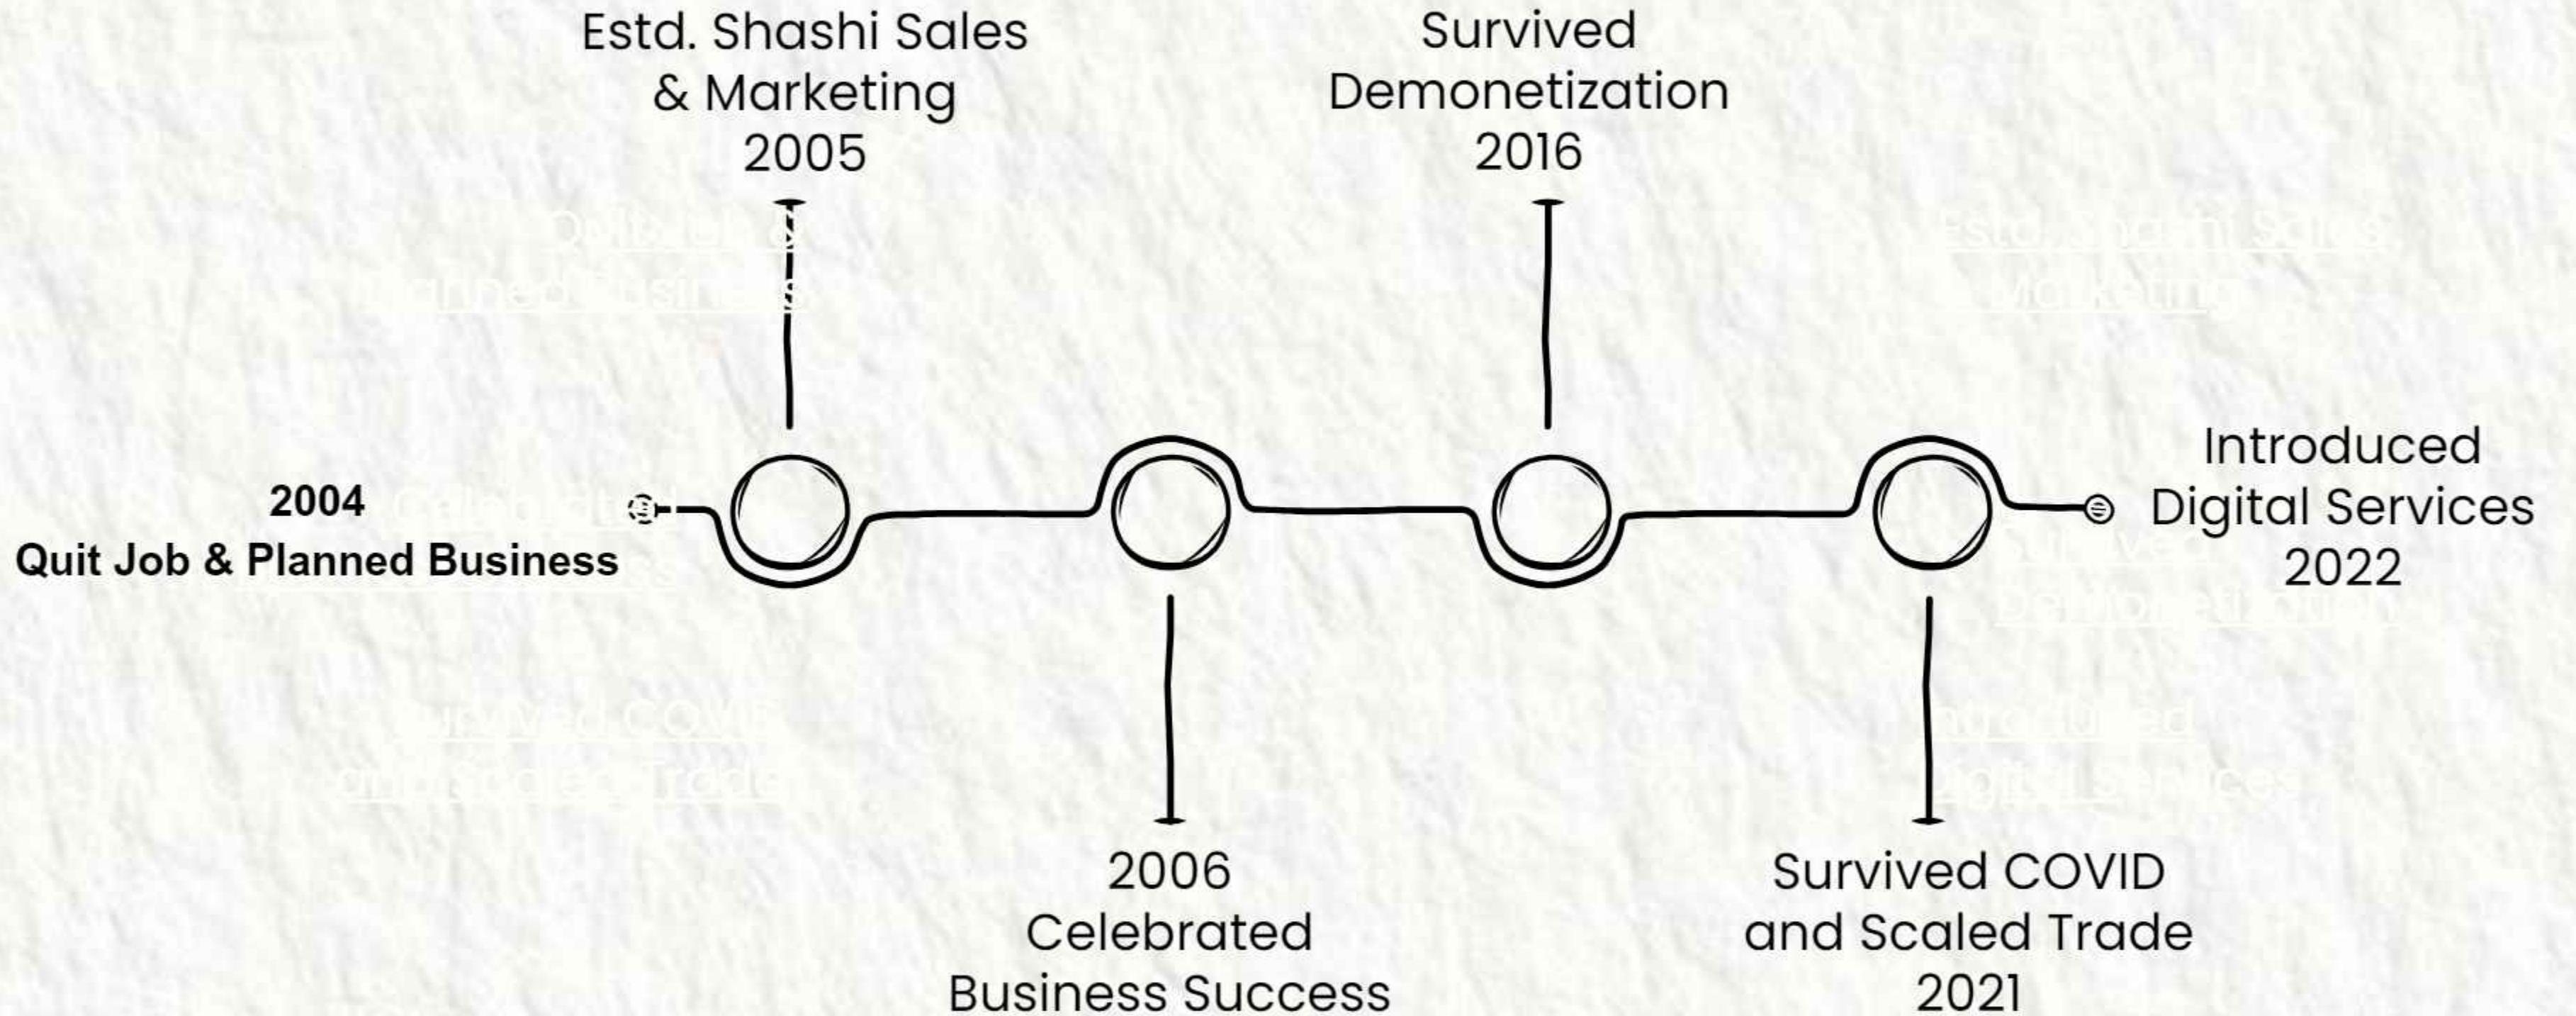

[Since 2005]

# About us

Founded in 2005 by Mr. Ajay Tiwari in her wife's name Shashi. Shashi Sales And Marketing has been a leading super-stockist (C & F) in Eastern UP. We have been able to build a strong relationship with Manufacturers even during the COVID times. Shashi Sales expanded to offer Business Process Management Services in diverse fields such as IT Development, AdTech (Digital Marketing, SEO, Branding/PR), Graphic/Video Designing, ITES & BSG (Service Desk, Tech Support, L1 N/W Operations), Staffing, & FMCG. Everything that enables you to put your company idea into action and convert it into a lucrative and growing online venture. Our BPO and conferring services would enrich your operations by addressing talent deficiencies and retaining operational costs.

# Our Mission

**At Shashi Sales and Marketing, our mission is to distribute high-quality, affordable, and innovative Digital & FMCG products/services to our customers. We aim to be the leading Information Technology Company & Super-Stockist in the market, offering a diverse range of products that cater to the needs of all segments of the population.**

# Our Vision

**At Shashi Sales and Marketing, our vision is to be the foremost IT Company & Super-Stockist, renowned for our quality, innovation, and customer service. We strive to achieve this through enhancing our product range, expanding our distribution network, and embracing cutting-edge technology. Committed to sustainability and social responsibility, we aim to make a positive impact while delivering unparalleled value to our customers and stakeholders, guided by our dedication to excellence and integrity.**
